High page-yield reduces the need for new cartridges, saving you time and money. HP® Smart Print technology enables the cartridges and printer to automatically trigger perfect adjustments that optimize consistency and reliability for hassle-free, professional-looking results and improved office efficiency. Enhanced gloss produces sharp blacks and a dynamic range of bright, brilliant colors for bold graphics and photo-quality business printing that brings your ideas to life. SureSupply Software Utility (available free from HP®) interacts with the printer to ensure easy toner replacement by issuing alerts when cartridge is low, monitoring the remaining toner life, and providing quick on-line ordering.	<b>\$ 221.07</b>
